

Dear Store Manager or Buyer,

Recently I had the opportunity to try some products from Namaste Foods and they were great! I was disappointed to see that I could not buy these products in your store.

Namaste Foods offers exceptionally delicious, all natural and better-for-you sweet and savory items that are heads and shoulders above the rest. Their products are also 'free from' the Top 8 allergens which makes them the perfect choice for just about everyone! They use only the finest ingredients to make tasty foods that are Whole Grain, Non-GMO, Kosher, Certified Gluten Free – some are USDA Certified Organic, too.

The list below contains all of their outstanding products. I know if you began carrying Namaste Foods your customers (including me!) would be very happy shoppers! You can order them by calling your distributor sales representative or by contacting Namaste Foods directly at admin@namastefoods.com or by calling 1-866-258-9493.

Thank you for your consideration – we hope you choose to carry Namaste Foods and we look forward to buying Namaste Foods products in your store soon!
